Summary:

Parish Council met via Zoom with Fr. Ken and Fr. James in person. Fr. Ken shared the amazing generosity from our parish being seen in many areas. The new building is coming along and tithing is improving. Despite the pandemic, our community continues to grow with 2 more families added last month and RE and Adult Faith Formation continue virtually. Great things are also happening in school with tours being given for potential new students joining the classes in January.

The next meeting will be January 14th via Zoom.
